

Handicap Parking

Thanks to our good friends at **Victory Credit Union**, its parking lot, off King Street, will be used exclusively for handicap parking. Victory Credit Union also has a paved walkway through to Gerrish Street, so it's a great place to park and see the parade and then provide easy access to the Windsor Waterfront.

Handicapped signs **MUST** be shown and volunteers will confirm need. There is room for approximately 30 vehicles.

Come early, as the parade starts at noon and access into the downtown will be blocked off at that time to accommodate the parade.

There are accessible bathrooms at the waterfront - in the Coach House and at portable stations by the basketball court,
